

F63

**INDEPENDENTLY RATED
"BEST IN ITS CLASS"**

F63

PRODUCT OVERVIEW

- A large function switch design
- Starting speed from 1.0 mph
- A low-profile running hood
- Latest Bluetooth connectivity technology

The SOLE F63 treadmill is built to be budget-friendly without compromising quality. It features a 3.0 HP motor that delivers challenging speeds up to 12 mph and inclines up to 15 levels. When not in use, the treadmill deck locks into place. Run up to six preset programs, including cardio training and fat-burning programs. Plus, the F63 is built with the latest Bluetooth technology, allowing contact with those popular apps in the market to motivate your daily workout at home.
