

F65

**BUDGET-FRIENDLY
TREADMILL**

F65

PRODUCT OVERVIEW

- Starting speed of 0.5 mph (1 kph)
- A step-up height consistent with commercial-grade treadmills
- 9-inch LCD workout console
- Latest Bluetooth connectivity technology
- Wide-range running surface design

The SOLE F65 is a performance treadmill at an affordable price. It is built with a powerful 3.0 HP motor that delivers challenging speeds up to 12 mph (20kph) and inclines up to 15 levels. It also has a more extensive deck at 22" x 60". Plus, it incorporates a larger 9-inch backlit LCD and the latest Bluetooth technology, allowing contact with those popular apps in the market to motivate your daily workout at home.
